This is a request to waive the filing date of January 10, 2008 for the filing of the Form 470. Our existing contracts will expire in May 2008, and this is the first time, for funding year 2008-2009, there would be no contracts in place. In the past, we have filed the Form 470 because we had existing contacts. This is the first year there are no contracts and we did not realize we had to file the Form 470 to claim eligible services with month-to-month, tariff rates.

If waiver is approved, Form 470 will be submitted to USAC within one business day after notification of approval.

Thanking you in advance for your consideration.
